10AM to 4PM**

AOS (Artist Open Studios) is a FREE, family-friendly event that invites you to explore artists' studios, talk with artists to learn about their creative process, and experience first-hand the environments where their work comes to life. This year marks 26 years of AOS! Celebrate with us as we showcase the work of local painters, sculptors, glassblowers, ceramicists, wood turners, jewelers and print makers. There is something for everyone. Visit [www.artistopenstudios.org](http://www.artistopenstudios.org) to download a tour map, browse artists' work, and learn more about the event.

We can't wait to welcome you! - The Artists of A.O.S.
